Hi Dante and Dave,

Attached is a clean version of Draft 2 of the Proposed Plan.
Go ahead with circulation to the appropriate up-stream management/legal counsel.
I believe they have until 9/15 for their reviews and comments.

Let me know if you have any questions.

PS: We can discuss figures later; I believe the best approach if for us to discuss via a call, then I can forward to you some of my suggested figures, and you can pass those along to your contractor who will add the other figures we want and finalize the draft document with figures inserted.

Thanks,
Jeryl
